Department of the Environment and Water Resources
Australian Greenhouse Office

ABATEMENT PROVIDER INFORMATION

Abatement Provider Name:

Reporting Period (Financial/Calendar Year):

Abatement Project Overview (Provide Abatement Project Name and Description):

GREENHOUSE FRIENDLY™ ABATEMENT PROVIDER ANNUAL REPORT TEMPLATE

Please include the following information in your Annual Report:

- Date, quantity and Australian Greenhouse Office allocated serial numbers of abatement verified and approved under Greenhouse Friendly™ in this reporting period.

Please attach your Notice of Approved Abatement as evidence of this

- Details of Greenhouse Friendly™ approved abatement that you have sold during the reporting period, including the purchasers' name, quantity purchased and the date in which the sold abatement was generated.

Please use the following table to provide this information

Quantity of Greenhouse Friendly™ abatement sold. If the sold abatement has Australian Greenhouse Office allocated serial numbers, please provide	Greenhouse Friendly™ abatement purchaser	Date of Sale	Period in which the Greenhouse Friendly™ abatement sold was generated	Date the Greenhouse Friendly™ abatement sold was approved by the AGO. If the approved abatement has Australian Greenhouse Office allocated serial numbers, please provide	Notes (include any other information relevant to the abatement sale)

- Please attach copies of any Verification Reports completed during this reporting period.

Please attach at the end of this report

This question is for providers of forest sink abatement only

- For forest sink abatement sold at any stage during the project's five-year approval under Greenhouse Friendly™, provide details on the current status of that abatement, such as losses or restoration which have occurred.

This information needs to be provided by abatement providers who have sold forest sink abatement

GREENHOUSE FRIENDLY™ ABATEMENT PROVIDER ANNUAL REPORT TEMPLATE

Some information in this Annual Report may be summarised and made publicly available. Information provided to the AGO which is confidential (outside of the public domain) will be protected at all times and will not be publicly disclosed or included in public reports without permission, unless required by law. You will be given the opportunity to comment on any public report before it is released.

ABATEMENT PROVIDER DECLARATION:

To the best of my knowledge, and having implemented the quality controls and standards required under Greenhouse Friendly™ and made all appropriate inquiries, the information provided in this Annual Report is true and correct.
